Getting there

Blackford is on the B3139 running between Highbridge and Wedmore. As the B3139 enters the village it turns sharp right. Do not turn right here but continue straight ahead and park by church a few yards along the road. The Sexey's Arms pub is just around the corner on the B3139 and refreshments can be obtained there.

Route instructions

[1] Walk along left hand side of road through village to reach a T junction. Turn right and follow gravelled road to it's end and cross small stile on the left hand side. Continuing in the same direction walk across field with hedge on the left. At corner of field pass through gap in hedge on left and then turn right to reach a stile. Cross stile and exit into road (take care). Walk along road for approximately 50yds and then turn right to reach a stile on the opposite side. Cross stile and head across field diagonally to left to reach a stile in top left corner. Cross stile and then continue straight across next small field. Pass into the next field through gate and then bear diagonally left to cross next field to reach a gate. Pass through gate and proceed straight across next field to find a footbridge in the hedge. Cross the bridge and continue ahead with hedge on left to reach a field gate exiting into the road.

[2] Pass through gate into road and turn right and follow road a short distance to point where it turns sharp right. Turn left here and pass a cottage on the right and then follow a path ahead. Cross next field along the side of a small orchard and then over a stile into a Nature Reserve. Proceed ahead and pass through the grounds of a house and exit over a stile at it's far end. Follow the path straight ahead over fields and past a small vineyard and by some farm buildings to reach a track. Cross track and pass through metal kissing gate into a field. In field bear diagonally left and head for gate in far corner. On reaching gate pass through it into road.

[3] Turn right and follow road short distance to reach a cross roads. Go straight ahead into a lane which is initially surfaced but shortly turns into a track. Keep straight ahead on the track until it reaches a road. Turn right and follow road a short distance to find a waymarked path on the left.

[4] Turn left onto track (Madwoman's Lane) and follow it straight ahead until it reaches a road. Turn left onto road and follow it to the point where it turns left. Continue straight ahead through a gate into a field. Cross the field with the hedgeline on your right and pass into the next field still continuing with the hedgeline on your right. Cross a stile into a further field and bear left to cross to the gate in hedge opposite.

[5] Pass through the gate and turn right and follow road ahead to crossroads. At crossroads continue straight ahead and pass a vet's practice on your left. Follow the road to a T junction where turn left. Follow road which shortly turns sharp right and then in a short distance turn first left. Go straight ahead to reach the starting point.
