Follow road to reach "T" junction at its end. Turn left and then almost immediately right into Cliff Road. Proceed along Cliff Road until passing final house on right. Turn left into a lane and walk downhill. At bottom of hill turn left over a stile and follow path along right hand hedge line of field to reach a stile. Cross stile and turn left and follow path to field corner where cross a stile to exit into a lane.

[2] Turn right and follow lane to reach entrance to a small car park at Kings Cliff Wood. Walk through car park and then follow wide track up the valley through the wood. After passing under power lines proceed to the point where track divides and take the left hand fork. In a short distance turn left onto a path which curves to left going uphill. Follow path to reach a junction with another path. Turn left and follow path uphill and at top exit into road. Turn right and then at the junction a short distance ahead turn right.

Head for top lefthand corner by pylon. On reaching top corner pass through gate and then follow lefthand hedge to corner where turn right and continue to follow lefthand hedge. At the bottom of the field enter the soft fruit farm and follow the wide track ahead. At point where the track turns sharp right turn left and proceed to the hedge and cross a stile.
