Route instructions

[1] Walk into church yard and head round the church to reach the bottom right hand corner of the graveyard. Exit graveyard through a gate onto a well defined path leading across 2 fields. At end of second field cross a rhyne by a footbridge and turn diagonally right across field edge to cross a rhyne onto a track. Turn left and follow track to its end. Go straight ahead by crossing a stile onto a path following the left hand field edges until reaching the banks of the Parrett.

[2] Turn right onto river bank. Follow the path along the top of the river bank all of the way. As you approach the River Brue estuary the path turns right to follow the right hand bank of the Brue. Keep on this right hand bank until it approaches the backs of a row of houses on the right ahead. On reaching the back of the houses turn right to follow a path running along the back of the houses. The path finally turns left over a stile and then reaches a road.

[3] Cross road slightly diagonally to right to enter another path. Follow this path to reach a road where turn right. Walk a short distance to find a path on the left. Turn onto this path and follow through fields. On reaching farm buildings follow path through them to cross a stile and then immediately turn right onto a concrete road and go ahead to reach a "T" junction. Turn left and follow track ahead which becomes a path before exiting into a road by a house on the right. Keep straight ahead on road and arriving at junction with another road on a sharp corner keep right and follow this road back to the church.
